“With the aid of VIAVAC vacuum lifters, our installation teams install roof and wall panels in an efficient and safe manner.”

Advantages

-  **Speeds up installation**
-  **Reduces labour costs**
-  **Improves working conditions**
-  **Prevents damage**
-  **Complies with all safety standards**

Buy or rent?

Rental is a popular way to benefit from the advantages of VIAVAC equipment.

Therefore, renting can be a good alternative to buying. We have a large rental fleet so the required device is nearly always available.

Visit our website for more information.
