

PTL-S

The **PTL-S** cold water high pressure washer is extremely compact and because of its small size and light weight easily portable.

This professional high pressure cleaner is driven by a petrol engine, easy to use even in places where there is no electricity.

It's an allround cold water high pressure cleaner for sports events, stables...

EXCLUSIVE TECHNOLOGIES

Robust frame

Radial high-pressure pump

Motor pump coupling using reduction gearbox

5 Year warranty

10h use

PRODUCT SPECIFICATIONS

- A powder-lacquered steel frame → prevention from corrosion and robust
- Lightweight → easily portable

STANDARD EQUIPMENT

Code	Item description
1.208.520.020	High pressure hose (3/8", 10 m) → extended reach
1.211.510	High pressure gun with swivel → large manoeuvrability of the wash gun
1.216.725.15050	Single stainless steel lance with high pressure nozzle and rotating quick coupling

1.208.520.020

1.216.725.15050

1.211.510

TECHNICAL SPECIFICATIONS

- Honda petrol engine (manual starting = type B)
- Radial high pressure pump with 3 ceramic plungers and stainless steel valves
- Pressure gauge
- Coarse particle filter
- Stepless pressure and flow regulation by bypass valve
