

Tipper trailer

- Park Ranger 2150

Standard equipment:

- Steel chassis** The tipper trailer features a strongly built steel chassis with fixed headboard and sides.
- Hydraulic tip function** The unloading of the 0,44 m³ trailer is easily done via the joystick from the comfort of the driver seat.
- Support wheel** The support wheel allows for easy attaching, detaching and storage.

Extra equipment (options):

- Side extensions** The optional side extensions increase the volume of the trailer. The side extensions are 40 cm in the height.
- Lighting** The galvanized beam with rear lights makes the trailer visible in traffic.
